The Trevor Music Conservatory offers summer music lessons. Students may take six or more lessons between June 5th and September 8th of 2020. Summer lessons allow current Music Conservatory students to continue their musical education year-round. They also allow new students to begin lessons through the Conservatory at a time when there is often more scheduling flexibility.

The Summer Conservatory offers the following:

- Lessons will be taught at your home by a member of the Trevor Day School Music Conservatory faculty.
- Scheduling will be at a mutually agreeable time as arranged by you and the lesson teacher. The information you provide on the registration form will be given to the teacher.
- All tuition will be processed by the Trevor Day School Music Conservatory and the Business Office.
- You commit to six lessons. If you would like more than six summer lessons, please contact the Music Conservatory Director, Lisa Goldberg, at lgoldberg@trevor.org or 212.426.3307. Additional billing will be processed at the beginning of the academic school year.
- Financial Aid is available for eligible students for a maximum of 50% of tuition for Music Conservatory lessons. Please review your contract letter for specific financial aid availability.
